

ANTHONY AXFORD BOLTON CRICKET LEAGUE
MINUTES OF THE ADDITIONAL COMMITTEE MEETING

HELD AT TONGE C.C.

1st AUGUST 2016

Apologies: Karen Knott and Mike Tyldesley.

Bolton League Structure 2017: Clubs voted 18-2 in favour of two divisions of 10 rather than a division of 12 and one of 8. Standish abstained. It was agreed that provided there are two divisions of 10 there can be variations to the proposal previously circulated.

Finance: The Treasurer confirmed all clubs have paid acceptable sums of money and outstanding creditors can be paid.

League Presentations: The Junior Committee will be arranging theirs at the meeting on 11th August. At the next League Meeting clubs are asked to make a decision on a senior presentation based on clubs having to take a minimum of six tickets at £18 for a formal dinner.

Development Group: It was agreed the Chairman would establish a Development Group to try to attract additional clubs for the 2018 season. The Secretary will place advertisements in local newspapers as required by LCB regulations when asked to do so by the DG. Before the DG becomes active a decision will have to be made in which division news clubs are placed. It was agreed that at the end of season 2017 two clubs will be relegated and two promoted.

ECB Survey: Clubs who had not already done so were asked to take part in the survey this evening.

40 Over Competition: Clubs who have not already done so are asked to post their results on Play Cricket. As Farnworth are still involved in the Lancs KO some rearrangements may have to be made to the semi-final and final dates.

Rearranged Matches: Only the matches from 21st May will be rearranged. These will be played on 4th September.

Correspondence: A letter from the Ground Committee regarding Little Hulton was read to the Committee. Darren Mullineux from the GC will be working with the LH groundsman with a view to having the pitch back to Bolton League standards by the start of the 2017 season. A post season inspection will be made by the Ground Committee.

Professionals: A proposal sent previously to the League officials will be circulated to all clubs before the next meeting.

Date of Next Meeting: 22nd August, 7.45pm at Tonge C.C.
