Minutes of last meeting

The Minutes of the last meeting were approved as a correct record.

From the Minutes

Richard Dearden brought up that he has been asking for nominations for U13's to U16's for the past 3 Months and only two clubs had replied to him. A small discussion took place on this subject and Derek Kay stated that this point had come up at the Cricket Development Group Meeting. It was decided that all nominations should be phone or emailed to Richard Dearden on 01204 395591 or rdcricketcoach@aol.com.

Correspondence

Leaflets were distributed, and copies are attached to these minutes.

The committee agreed that the Interleague U13's could enter the Peak Sports Trophy.

Treasurer's Report

Bill reported that the finances were in where in good condition with £5000 in coaching fund but money would go out soon to pay for coaches and facilities.

It was agreed by the committee that the coaches on these courses would be paid £8 Level 1, £10 Level 2 and £12 Level 3.

May Barlow summarised the grant she had obtained and the Coaching Committee will discuss this.

Teams Entering Age Groups

The Secretary went through the clubs and Greenmount U18's, Tonges U11's and U13's would not be entered in the League this year.

Jack Ashton asked for consistency from the League when fining clubs that miss Junior Fixtures. It was explained the Registration and Competitions would deal with these issues.

The League Committee had referred the Walkden Tournament back to the Junior Committee. It was agreed it would remain at Walkden provided the running of the tournament was satisfactory.

The Walkden representative was asked if a committee from the League could help organise the Walkden Tournament to avoid any problems. There was very little support for a club from another League replacing Greenmount.

Cup Draws

These were done and a copy is attached to these minutes.

Election of U18's and U13's Secretary's

After a small discussion, it was decided that John Hutchinson would do the U18's and U15's and Barry Cryer U13's, Ian Cavill would be asked if he would do the U11's, if not John Hutchinson will take over this roll.

Winter Coaching Update

Mike Buckley gave a small report on the sessions that are happening at the moment.

Richard Dearden stated that he had organised the U18's to U15's session. These will be held at Bolton Indians starting 7th Feb 2006, 5 weeks for the U18's and 5 weeks for the U15's Cost £25 per 5-week session. John Hutchinson offered that FSC could help when the weather is warmed for these teams to use the outdoor nets facility.

- Junior Representative to Senior Meeting, Derek Kay went through why the Junior Leagues decision was over turned at the Senior League AGM, a heated discussion followed and Derek apologies to Richard Dearden as he had not been informed by the League that Mike Buckley had taken the position from a vote as per Junior Rule 1.

Girls playing in boys age-group leagues and competitions

In response to a number of requests the ECB has issued the following guidelines concerning the participation of girls in boys cricket:

- The ECB wishes to encourage the development of girl cricketers and is happy for them to participate in boys cricket
- Team managers and coaches have a duty of care to all players and girls should only be allowed to participate if the responsible adults are satisfied that they are competent to do so
- Suitable arrangements need to be in place, particularly relating to changing facilities and transportation arrangements, if applicable. Please refer to the ECB [Safe Hands policy](#)
- In ECB national competitions the age group requirements apply to all players regardless of their sex
- In local Leagues and other competitions it is up to each League or competition to specify the age group requirements. If girls who are older than the specified age group are allowed to play the League must specify a maximum age for the girl players and confirm how many older girls can play in any team. The same regulations must apply to all clubs in that League or competition
- For the sake of clarity it should be understood that boys cannot play in girls' leagues or competitions unless explicit provision for this is included in the rules of that League or competition. Boys cannot play in the ECB girls competitions

Any questions relating to these guidelines should be referred to the ECB Cricket Department at Lord's – 020 7432 1200 or cricket@ecb.co.uk
