Hi Mike

As of today there is £3,903 in the junior account. No clubs owe money for junior invoices etc but I still have the invoices to raise which you sent me yesterday for Child protection and First aid. These will total £240.

I also have to pay the £500 for the course which you sent me through the other day.

All of these will be done by the end of this week.

If you need anything else please let me know.

Chris
