JUNIOR RULE CHANGES 2008-7

Age Group	Rule No	Rule No (Letter)	NEW or REVISED RULE	COMMENTS	For	Against	Abstain
11	new rule		The playing rules do not mention that this is pairs cricket. Need to Add: the batting side should be divided into pairs. Each pair bat for four overs. Pairs shall change at the end of the 4th, 8th and 12th overs.				
11	7		Change to: each boy on the fielding side must bowl a minimum of two overs and a max of three, with the exception of the wicket keeper, who is not allowed to bowl.				
13	New Format		Change the format for the league competition to that of pairs cricket.	Rules being in short. Each team will consist of 10 players, and each innings 15 overs, pairs batting for 3 over each. The cup competition will be proper cricket as per the rules now.			
18	8		Remove "etc" and replace with 3-1				
18	6		Clarification Required: is 3-1 the correct result if the losing side (1 point) has had one or more players retiring have scored 75 and thus the team are therefore NOT all out.				
18	6		Points : 2 for a win and 1 for any other result.	As per all our other cricket age groups.			
18	1		Delete: Clubs may opt out of this competition	General rule 8 allows clubs to opt out of one age group not including U11's which is optional.			
18	New Format		Under 18 matches to be played on one evening to Under 15 rules.	Reason - a lot of young players with exams cannot afford two night cricket, plus weekend cricket. The standard of under 18 cricket could be raised and matches become more competitive if games were played on one night with more players becoming available. Cup matches could remain at 40 overs.			
18	New Format		Under 18 matches to be played on one evening.	Rules: Each innings to consist of 25 overs and start at 6pm			
all cricket			Clarification Required: How close to the bat can players field at the different age groups.				
General Rules	New Rule		The junior section to start one full week prior to the last Sunday in April.				
General Rules	new rule		Should a complete set of fixtures be cancelled on the given date. A replacement date should be sought A.S.A.P to play these fixtures.				
General Rules	new rule	24	"Substandard junior facilities, including the pitch and playing area should be reported to the Ground Committee via the League Secretary."	<i>Only formalises what can happen at present. There is no necessity for the Sub-Committees to act on a single complaint, and even after a second complaint need go no further than inform a senior club official that there have been reports. However, if a club or umpire is reported repeatedly, then action would have to be taken</i>			
General Rules	new rule	25	"Substandard umpires should be reported to the Competitions Committee via the League Secretary."	<i>Only formalises what can happen at present. There is no necessity for the Sub-Committees to act on a single complaint, and even after a second complaint need go no further than inform a senior club official that there have been reports.
